

MISUMI MALAYSIA

NEW WEBSITE UPGRADE

MiSUMi

Your Time,
Our Priority

New Upgrade

Ease of browsing

- User friendly interface and design (intuitive flow of order)
- Seamless and hassle-free quote and order experience
- Reduced steps for input & integrated control screen

Enhanced visibility & flexibility

- Enriched stock visibility, faster processing of large orders
- Greater profile management options & document control

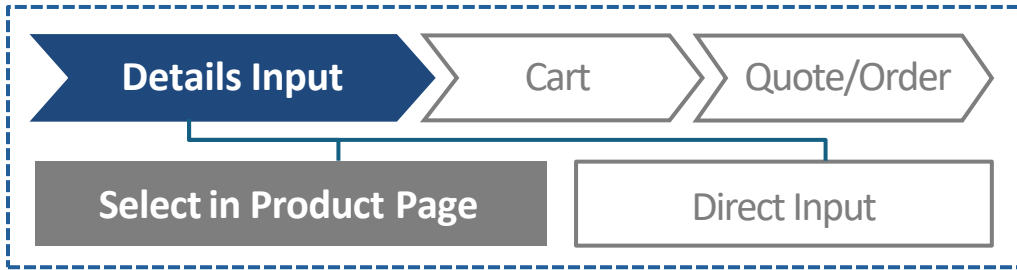

Enhanced support

- 365 days X 24 hours order completion & confirmation
- Submit inquiry form quickly and effortlessly with one click.

Summary of key changes in MISUMI user interface upgrade

	Current user interface	Upgraded user interface	
Details Input	<ul style="list-style-type: none"> • “Quote on WOS” function for large orders, multiple inputs needed. 	<ul style="list-style-type: none"> • Single window input for higher quantities 	Refer P5
	<ul style="list-style-type: none"> • Part number suggestion is presented in the following screen, multiple inputs needed. 	<ul style="list-style-type: none"> • Part number suggestion as you enter, • Product image display for ease in choosing • Single window input for part number queries 	Refer P6
Cart	<ul style="list-style-type: none"> • Cart screen with input requirements of shipping preference. 	<ul style="list-style-type: none"> • Simplified cart view, reduce redundant input • Single window input for higher quantities 	Refer P7
Quote	<ul style="list-style-type: none"> • Display of day to ship with ship date only 	<ul style="list-style-type: none"> • Estimated Arrival Date added, below shipping date display 	Refer P8
Order	<ul style="list-style-type: none"> • Display of day to ship with ship date only 	<ul style="list-style-type: none"> • Estimated Arrival Date added, below shipping date display 	Refer P9
New Registration Form	<ul style="list-style-type: none"> • Required input user and company information in initial stage. Email verification on last step. 	<ul style="list-style-type: none"> • Confirm register user’s email address at the initial stage for ensure verification step is completed. 	Refer P11 - P13
My Page Menu	<ul style="list-style-type: none"> • Limited options for selection 	<ul style="list-style-type: none"> • Expanded features to customize your profile 	Refer P15 - 19
Documents	<ul style="list-style-type: none"> • 12 digits SO & QT number format 	<ul style="list-style-type: none"> • 10 digits SO & QT number format • New layout for QT and SO CSV file 	Refer P20

After confirmed desired product part number, if you need higher quantities (more than displayed stock), just click **“Contact MISUMI”** => fill in quantity you need and preferred ship date => click **“Send Inquiry”**.
